

## TASK: Make Compliment Cards

Plato quoted, "Be kind, for everyone you meet is fighting a hard battle."

Think about some positive messages that you can leave for special people in your life. Leave them as a surprise in a neighbor's mailbox, family members at home, or mail one to a family member or friend or to anyone you feel could use a pick-me-up and a smile.

Create these positive messages on index cards or on a piece of computer paper or construction paper. Feel free to decorate it any way you want.

Some examples of positive messages you could use are:

1. Hey! You rock.
2. Hey! You are capable of great things.
3. Hey! You look really pretty.
4. Hey! You are such a blessing.
5. Hey! You are so brave!
6. Hey! You are truly special!
